THE RECTOR

HAVING REGARD TO the Guidelines on Visiting Professor and Visiting Researcher (hereinafter referred to as Guidelines) enacted by Rector's Decree n. 3165 of July 6th 2023;

HAVING REGARD TO the resolution of January 29th 2025, by which the Board of Administration of the University established the maximum amount payable to Visiting Professors;

HAVING REGARD TO the resolution of 13th December 2024 by which the Department DIME of the University of Genova, upon proposal of Prof._Marco Fossa_recognized Prof._Victoria Timchenko of_University of the New South Wales, Sydney, Australia as a scholar eligible for the position of Visiting Professor;

HAVING REGARD TO the resolution of 29 January 2025 by which the Board of Administration of the University has approved the requests for the co-financing for the II semester of the a.y. 2024/25, according to the previous Guidelines, and among which the co-financing of Prof. Victoria Timchenko was approved;

HAVING REGARD TO the didactic-scientific plan of the activities approved by the aforementioned Department;

CONSIDERED THAT the Guidelines provides, unlike the previous one, that the reimbursement of travel expenses, food and accommodation is flat-rate;

DECREES

Art. 1 to appoint Prof. Victoria Timchenko as Visiting Professor to perform the activities established in the aforementioned didactic-scientific plan from 28th June 2025 to 18th July 2025_(total hours15) in the framework of the master degree course in_Energy Engineering, PhD course in_IMEG/Applied Thermodynamics and Heat Transfer ("Fisica Tecnica");

Professor Timchenko's teaching activities will involve supervising students from the Master's Degree Programs in Mechanical Engineering - Energy and Aeronautics and Energy Engineering, as well as delivering a seminar for students of the IMEG PhD program, CV in Applied Thermodynamics and Heat Transfer ("Fisica Tecnica").

Regarding research, the Visiting Professor will participate in laboratory activities on solar energy topics at the DIME "Solar and Geothermal Lab," headed by Professor Marco Fossa. Professor Timchenko has been scientifically active in the field of solar energy for over 15 years.

It is acknowledged that Professor Victoria Timchenko's scientific qualifications align with the teaching and research activities of the Department and the University. This is further supported by the long-standing scientific collaboration (over a decade) between UNSW and the DIME Department, which continues today in the form of joint research and publications.

Art. 2 on the basis of the present decree, a specific agreement with the Visiting Professor will be signed in compliance with art. 5 paragraphs 2,3 of the Guidelines;

Art. 3 the financial resources, including the deductions and charges to be borne by the University and the recipient, will be charged:

- for € 1.000,00 (flat-rate reimbursement) to the University budget for the Visiting Professors, VOCE COAN

4.1.1.1.3.5;

- for € 500,00 (recognised contribution by the Department) to the Department's funds;

THE RECTOR
