WORK EXPERIENCE / EDUCATION

WORK EXPERIENCE

AXA XL Risk Consulting, Milan, Italy – January 2022-today:
Natural Hazard & Climate Change Risk consultant.

University of Naples Federico II, Naples, Italy – November 2021- January 2022:
Postdoctoral Researcher focused on water distribution network management and smart water metering systems optimization.

University of Naples Federico II, Naples, Italy – July 2021- September 2021:
Research Fellowship in hydraulic risk mitigation, flood detention basins, smart-hydro-camera for river monitoring.

EDUCATION

January 2021 – September 2021 – **PhD in Civil System Engineering**, with focus on urban water demand modelling and water distribution network management, University of Naples Federico II, Naples, Italy.

September 2019 – March 2020 – **Visiting PhD student**, Delft University of Technology (TU Delft), Delft, The Netherlands.

September 2015 – September 2017 - **Master of Science (M.Sc.) in Environmental Engineering**, University of Naples Federico II, Naples, Italy.

March 2017 – July 2017 - **Erasmus+ Programme**, research on Best Management Practices (BMP) for urban stormwater management, Hellenic Open University of Patras, Patras, Greece.

September 2011 - March 2015 - **Bachelor's (B.Sc.) degree in Environmental Engineering**, University of Naples Federico II, Naples, Italy.

QUALIFICATIONS

2018 - **Practicing engineering license in Civil and Environmental Engineering**, enrolled in "Ordine degli Ingegneri della Provincia di Napoli", num. 21770.
