

do more
feel better
live longer

GSK

L'azienda in breve	<p>We are a science-led global healthcare company with a special purpose: to help people do more, feel better, live longer. We have 3 global businesses that research, develop and manufacture innovative pharmaceutical medicines, vaccines and consumer healthcare products.</p> <p>Our goal is to be one of the world's most innovative, best performing and trusted healthcare companies.</p> <p>In Italy we are the first Pharma Company in terms of industrial footprint, with over 4200 employees, 2 manufacturing sites and 1 R&D Center.</p> <p>Our headquarters are based in Verona since 1932; Verona hosts a competence center for packaging and artwork. Here we also host ViiV Healthcare , fully dedicated to HIV/AIDS.</p> <p>Siena hub, established in 1904, represents a globally relevant excellence in Vaccinology, through a Research Center and a manufacturing plant for Vaccines (based in Rosia - SI).</p> <p>Sterile compounds production and Monoclonal Antibodies manufacturing is based in S. Polo di Torrile (Parma).</p> <p>GSK ConsumerHealthcare is based in Baranzate (Milan), offering well known brands globally organized into five categories: Pain Relief, Respiratory, Oral Health, Nutrition/ Gastro Intestinal and Skin Health.</p>
