

**Università degli studi di Genova**

Settore Placement e servizi per l'orientamento al lavoro

**UNIVERSITY OF GENOA - PLACEMENT PROJECT "PORTA LA LAUREA IN AZIENDA"**

(Take your degree to the companies)

The Project will give the possibility to graduates of our University to carry out an internship in an European country in order to improve their skills and their job prospects.

The project has the following characteristics:

The duration of the internship should be at least 600 hours

The beneficiary will receive a grant up to € 4.000 pre-tax

The University of Genoa, in the quality of the Promoter of the project, will cover the insurance costs.

The candidatures will be collected with a public call and the candidates will be selected by an academic commission.

The host company has to:

- fill in the "Company application form" (contents and tasks of the internship will be subject of the candidates selection)
- provide a formative experience for the trainee
- during the internship, sign the attendance sheet
- at the end, fill in a questionnaire about the traineeship
