

COSTA CROCIERE

*Descrizione
dell'azienda/
Perché lavorare con
Noi?*

Costa Crociere, part of Carnival Corporation, the world's number one touristic operator, is the largest Italian travel group and Europe's number one cruise operator with over 70 years of tradition.

Here we propose a positive, diverse, stimulating and intercultural environment where respecting colleagues and guests as well as communities is our first goal. We strongly believe in the power of communicating openly, always promoting transparency and are committed to continuously developing ourselves by experimenting, cooperating and including others, encouraging everyone to give their best and taking responsibilities.

As leaders in sustainable cruising, we continue to being committed to responsible innovation and we are accelerating on the path of a sustainable fleet. Costa has been strongly focused on the ecological transition of its business since years, introducing and testing new sustainable technologies and smart solutions. In addition to the use of LNG, which Costa pioneered, we are working towards achieving zero emissions overtime
