Having regard to R.D. no. 3536 of 12.07.2024, by which 31 public selections were announced for the award of 34 research grants in the programs specified in Annex A, which is an integral part of the aforesaid call for applications, and in particular the procedure under program no. 13 for the award of a research grant - Duration years 1 – Annual pre-tax amount: € 23.250,00- entitled " Structural analysis of University of Genoa building heritage – San Martino Campus." - Scientific Coordinator Prof. Stefano Podesta' -;

Considered that the above-mentioned call for applications expired on 30.07.2024.

Having regard to R.D. 3955 of 02.08.2024, by which no. 31 public selections were announced for the award of no. 31 research grants in the programs specified in Annex A, integral part of the aforesaid decree, with expiry on 4.09.2024.

Considering that, due to a mere clerical error, program no. 21 entitled "Structural analysis of the built heritage of the University of Genoa - San Martino Pole" - scientific supervisor Prof. Stefano Podesta' - was included in the above-mentioned call for applications for the award of a research grant already advertised in the above-mentioned Decree no. 3536 of 12.07.2024 (program no. 13);

Considered, therefore, that the correct request for the activation of the cheque entitled "Structural analysis of the building heritage of the University of Genoa - San Martino Pole" must refer solely to that referred to in program no. 13 of the call issued by R.D. no. 3536 of 12.07.2024 and that program no. 21, having the same title, must not therefore be included in the call issued by R.D. no. 3955 of 2.8.2024.

HEREBY DECREES

- for the reasons set out above, the notice issued by R.D. no. 3955 of 2 August 2024 is to be considered partially amended as follows: the procedures called are to be considered as no. 30 (instead of no. 31), due to the cancellation - in Annex A, integral part of the notice - of program no. 21.
