Please note:

- **Mandatory documents:** the application cannot be submitted if the document is not provided. Failure to present the document will result in an unsuccessful outcome of the pre-evaluation process.
- **Optional documents:** if you have the document, it is recommended to provide. One can submit the application for pre-assessment even in the absence of the document.

PAY ATTENTION:

- International relations (relazioni internazionali) e Digital humanities – interactive system and digital media have different curricula: verify the curricula taught in English and the curricula taught in Italian.
- Chemical and process engineering (ingegneria chimica e di processo) is a Master's degree taught in Italian but some single courses are taught in English.

Notes on the language knowledge documents:

Verify the recognized certificates and all details starting from <https://clat.unige.it/CertificazioniRiconosciute>

Italian recognized certificate: quality system CLIQ (Italian Language Certification of Quality) issued by:

- Università per stranieri di Perugia (CELI);
