Every year the University of Genoa welcomes new students by launching the Matricole Project.

The project aims to **accompany male and female students as they embark on a new cycle of education** and to encourage their gradual integration into the university environment through information meetings, group workshops and tutoring. On the other hand, using effective learning strategies helps to achieve satisfactory academic results and to orientate themselves in the different fields of study with greater autonomy.

### *The Freshers' Project is on Teams: book it!*

Guidance, advice and support services are on Teams. Information in the following paragraph.

### *Watch the video!*

The Freshers' Project accompanies you through the transition to university and helps you enhance certain transversal skills.

### *Join the Freshers' Project*

If you are a UniGe freshman and would like to join the Project, click and fill in the dedicated form.

## Student Desk - Secretarial Offices

### *Services*

Go to the page dedicated to the procedures and services provided by the Secretariats.

### *Locations and contacts*

Where to find and how to contact the student counters.

### *Book an appointment*

Make an appointment at the Secretariat of your interest.

Those who wish to speak with the administrative offices regarding issues in their academic career (exams, certificates, requests, etc.) can receive **personalized assistance**. **By Appointment**
