

**breve descrizione aziendale**

Hitachi Energy is a global technology leader that is advancing a sustainable energy future for all. We are present in 60+ countries, employing around 50.000 people and generating business volumes of approximately \$13 billion.

With our 5 Business Units (*Grid Automation, Grid Integration, High Voltage, Transformers and Service*) we serve customers in the utility, industry and infrastructure sectors with innovative solutions and services across the value chain. Together with customers and partners, we pioneer technologies and enable the digital transformation required to accelerate the energy transition towards a carbon-neutral future

**perché scegliere noi**
