

Hitachi Energy

Settore Economico Produttivo: Energy

Breve descrizione aziendale

Hitachi Energy is a global technology leader in electrification, powering a sustainable energy future with innovative power grid technologies with digital at the core. Over three billion people depend on our technologies to power their daily lives. With over a century in pioneering mission-critical technologies like high-voltage, transformers, automation, and power electronics, we are addressing the most urgent energy challenge of our time - balancing soaring electricity demand, while decarbonizing the power system.
