PERSONAL SKILLS

Mother tongue(s) Italian

Foreign language(s)

UNDERSTANDING		SPEAKING		WRITING
Listening	Reading	Spoken interaction	Spoken production	
English B2	C1	B2	B2	B2
Preliminary English Test- PET				

Levels: A1 and A2: Basic user - B1 and B2: Independent user - C1 and C2: Proficient user
Common European Framework of Reference for Languages

Communication skills Good communication skills gained through my experience as supervisor of the training courses for my company

Organisational / managerial skills
- I have acquired to work in a team due to my work experience.
- I learned how to relate with people, to listen and understand their problems and to help them within the limits of my ability.
- leadership (currently responsible for a team of 10 people)
- good team-leading skills gained as soup kitchen volunteer coordinator
- good organisational skills gained as secretary of a running team, responsible for promoting events

Job-related skills Having changed jobs several times, I learned to adapt myself quickly to the needs of the company and colleagues and to respond to the demands of management and customers.

Digital skills

SELF-ASSESSMENT				
Information processing	Communication	Content creation	Safety	Problem-solving
Proficient user	Proficient user	Independent user	Independent user	Independent user

Digital skills - Self-assessment grid

- Excellent knowledge of the application package Microsoft Office (Word, Excel, PowerPoint, Access and Outlook Express)
- Knowledge of programming languages C ++ and Turbo Pascal

- Excellent knowledge of Windows operating system
- Good knowledge of programs aimed at the realization of technical manuals for companies such as LBS Acquired and Adobe Framemaker for output file in SGM format and Altova XMLSpy for output file in XML format. For both editing programs (Framemaker and Altova) I have a very good knowledge of their structured version that meets the specific ASD S1000D.
- Excellent knowledge of programs aimed at the realization of LSA dump files reflecting the specific MIL 1388 (Omega 2B, PowerLog and SLIC).
- Excellent knowledge of programs aimed at the realization of materials management through specific S2000M (particularly PTC Abortext Provisioning Manager program).
- I have also actively participated in the creation of a new software that allows the creation of products that meet the requirements of specific S2000M, S1000D and S3000L. This program is currently used by companies of the Finmeccanica Group.
- Good knowledge of the Mac OS X operating system
- During the course held by the C.I.S.I.T.A. I learned to use the Java program and the HTML program.

Other skills
- Enjoy all sports particularly soccer and running. Love to travel and experience different cultures.
- Reading: passionate reader.

Driving licence   B
