## Annapaola Vacanti

### ACADEMIC EXPERIENCE

#### **University Research Assistant | Università di Genova**

[ 03/2020 – Current ]

I work with SimAv – center for Advanced Simulation of the University of Genova in order to design and develop a simulated home setting which will be used as an experimental space (following the Living Lab approach) for home care. The project is focused on the themes of Inclusive Design and Human - Technology Interaction (HTI) with the goal to facilitate the acceptance of assistive technologies (both physical and digital) by elderly or frail users.

Supervisor: prof. Niccolò Casiddu

#### **University Research Assistant | Università di Genova**

[ 09/2018 – 09/2019 ]

Member of the inter-department research unit dedicated to the development of the new brand identity for the University of Genoa and the data-driven analysis of the University's characteristics. I worked on the definition of the new graphic guidelines and materials, both for print and web applications. Also, I developed data visualisations showcasing insight coming from the data gathered from students' careers.

Supervisor: prof. Andrea Vian

#### **Teaching assistant | Università di Genova, Beijing University of Chemical Technology**

[ 2018 – Current ]

Activity of teaching assistance for the course Laboratorio Tematico di Design (A.A. 2019/20, 2020/21, 2021/22) held by prof. Niccolò Casiddu within the Bachelor Degree in Product and Nautical Design at University of Genova and for the course Subject Design Lab (A.A. 2020/21, 2021/22) held by prof. Niccolò Casiddu and Massimo Musio-Sale within the Double Degree program in Product and Nautical Design at University of Genova and BUCT in Beijing.

#### **Workshop organizer and tutor | Università di Pisa**

[ 23/06/2021 – 25/06/2021 ]

Social Robot: Workshop on the future of Human – Robot Interaction

#### **Professor | AMAS**

[ 20/05/2021 – 27/05/2021 ]

Humanizing healthcare facilities (Top manager formation course)

## **Professor | Università di Pisa**

[ 08/10/2020 – 08/10/2020 ]

Seminar "Design and Humanoid Robotics – good practices for design"

## **Professor | S.S. di Studi Universitari e di Perfezionamento Sant'Anna di Pisa**

[ 15/06/2020 – 24/06/2020 ]

High Level Formation Course "Smart cure. New technologies and personal healthcare: operational development models for social cooperatives"

## **Member of the research unit | Si-Robotics project**

[ 2018 – Current ]

Research project "Si-Robotics - Social ROBOTics for active and healthy ageing", financed within Programma Operativo Nazionale "Ricerca e Innovazione (PON)" 2014-2020.

Scientific referent: prof. Niccolò Casiddu

## **WORK EXPERIENCE**

### **Junior Art Director**

*IGOODI Srl* [ 03/2019 – 01/2022 ]

**City:** Milano

**Country:** Italy

I worked as a design consultant for the startup IGOODI, which works in the field of digital humanities by creating 3D avatars of real life bodies. I designed several materials both for print and web applications and also designed the User Interface (UI) of the new version of the mobile app.

### **Graphic designer**

*Rulex Inc* [ 06/2020 – 12/2020 ]

**City:** Genova

**Country:** Italy

I re-designed the brand identity of the company and developed all the template materials for social media, website, presentation documents etc.

### **Graphic designer**

*DelightFULL* [ 02/2018 – 07/2018 ]

**City:** Porto

**Country:** Portugal

Post lauream internship held within the Erasmus+ programme. I designed graphic and editorial materials for the websites and social media of the company and I developed the social media strategy for the Italian market. I also carried out several trend analysis for the brand.

### **UX designer**

*Darts Engineering* [ 07/2017 – 03/2018 ]

**City:** Genova  
**Country:** Italy

I designed the brand identity, User Interface (UI) and whole experience (UX) of the mobile application JoinMeApp.

### **Graphic designer**

**Siks Adv** [ 01/2015 – 04/2015 ]

**City:** Genova  
**Country:** Italy

Curricular internship carried out during the Bachelor Degree in Product and Nautical Design. During the internship I have designed several illustrations, brand identities concept and graphic material for social media and print for Siks Adv's clients. In particular, I designed the logo that was selected and used by the soccer team U.C. Sampdoria for their project Next Generation.

## **EDUCATION AND TRAINING**

### **Doctor of Philosophy**

**Università di Genova** [ 11/2018 – 12/07/2022 ]

**Address:** (Italy)

**Field(s) of study:** Arts and humanities

**Final grade :** Excellent

**Thesis:** MORE THAN ARTIFICIAL. Una convivenza da progettare: metodi e azioni per lo studio dell'interazione Uomo – Tecnologia

### **Master Degree in Product and Event Design**

**Università di Genova** [ 2014 – 2018 ]

**Field(s) of study:** Arts and humanities : *Fashion, interior and industrial design*

**Final grade :** 110 cum laude/110

**Thesis:** Frame / Open Source Eyewear

### **Bachelor Degree in Product and Nautical Design**

**Università di Genova** [ 2011 – 2015 ]

**Field(s) of study:** Arts and humanities : *Fashion, interior and industrial design*

**Final grade :** 110 cum laude/110

### **Erasmus+ semester**

**Xamk – South Eastern Finland University** [ 07/2016 – 12/2016 ]

**Address:** Kouvola (Finland)

## **VOLUNTEERING**

### **Art Director | TEDxGenova**

[ Genova, 04/2019 – Current ]

<https://www.tedxgenova.com>

## **Volunteer for Experiments | IIT (Istituto Italiano di Tecnologia)**

[ Genova, 07/2018 – Current ]

## **Bone marrow donor | ADMO Onlus**

[ 2013 – Current ]

### **PUBLICATIONS**

---

#### **Living Hub: setting up a living lab for Simulation based Design activities**

[2022]

Casiddu, N., Porfirione, C., Vacanti, A., Burlando, F., Nevoso, I. (2022, May). Living Hub: setting up a living lab for Simulation based Design activities. In Beyond All Limits 2022 proceedings. DADI PRESS.

#### **Si-Robotics: an assistive experimental robot**

[2022]

Casiddu, N., Burlando, F., Porfirione, C., & Vacanti, A. (2022, January). Si-Robotics: an assistive experimental robot. In Intelligent Human Systems Integration (IHSI 2022). Springer, Cham.

#### **Co-designed Social Robotic System in Si-Robotics Project**

[2022]

Casiddu, N., Burlando, F., Porfirione, C., & Vacanti, A. (2022). Co-designed Social Robotic System in Si-Robotics Project. In *Italian Forum of Ambient Assisted Living* (pp. 175-186). Springer, Cham.

#### **A participated parametric design experience on humanoid robotics**

[2021]

Vacanti, A., Burlando, F., Ferrari Tumay, X. (2021, September). A participated parametric design experience on humanoid robotics. In Design Culture(s). Cumulus Conference Roma 2021 (vol. 2, pp. 3-18).
