Affiliation **Researcher (RTD-A) at the Department of Social Sciences and Economics, Sapienza University of Rome.**

Afferences

- Secretary and Member of the Scientific Committee of DIAS - Data, Indicators and Analysis for Sustainability, scientific group of SIS - Italian Statistical Society
- Member of the Department of Benessere Integrale "Maria e il creato" of the Pontificia Accademia Mariana Internationalis
- Member of CIE - Centro de Investigaciones en Econometría, University of Buenos Aires
- Member of the Scientific Committee of CESDER - Centro di studi e formazione sul cambiamento socio-demografico regionale, University of Genoa
- Member of SIS - Italian Statistical Society
- Member of SIEDS - Italian Society of Economy, Demography and Statistics
- Member of AIQUAV - Italian Association of Quality of Life Studies
- Member of ASA - Italian Association of Applied Statistics

Education

2020 **Ph.D. in Applied Social Sciences**, *Department of Social Sciences and Economics, Sapienza University of Rome, Rome. Thesis defended 04 February 2020. Evaluation achieved: Excellent cum laude.*

Ph.D. Thesis: *Complexity of Social Phenomena: Measurements, Analysis, Representations and Synthesis*

Supervisor: Prof. Filomena Maggino

2010 **Second-level Master degree in Public and Institutional Communication**, *Department of Communication and Social Research, Sapienza University of Rome, Rome. Evaluation achieved: 110/110 cum laude.*

Master Thesis: *La misurazione della customer satisfaction nelle amministrazioni pubbliche. Il caso Inpdap*

Supervisor: Prof. Franca Faccioli

2009 **Degree in Political Sciences**, *Department of Social and Political Sciences, University of Studies of Catania, Catania. Evaluation achieved: 110/110 cum laude.*

Supervisor: Prof. Sara Gentile

Summer schools/Specialisation courses

SUMMER SCHOOLS

2018 **Bayesian Networks**, *Madrid Advanced Statistics and Data Mining Summer School. Universidad Politecnica de Madrid.*

2018 **Neural Networks and Deep Learning**, *Madrid Advanced Statistics and Data Mining Summer School. Universidad Politecnica de Madrid.*

2018 **Supervised Pattern Recognition**, *Madrid Advanced Statistics and Data Mining Summer School. Universidad Politecnica de Madrid.*

2017 **Quantitative Data Analysis with R**, *Essex Summer School in Social Science Data Analysis, Colchester (UK).*

2017 **Mathematics for Social Scientists**, *Essex Summer School in Social Science Data Analysis, Colchester (UK).*

SPECIALISATION COURSES

2019 **Deep Learning with Python for Big Data Analysis**, *Department of Statistics, Sapienza University of Rome.*

2018 **Statistical methods for Network Analysis: School of the Italian Statistical Society**, *Department of Political Sciences, University of Naples Federico II.*

2018 **Introduction to methods and applications to the JoREP/EUPRO database with Network Analysis approaches**, *Istituto di Ricerca sulla Crescita Economica Sostenibile del Consiglio Nazionale delle Ricerche IRCRES-CNR.*

2017 **Using Simulation Studies to Evaluate Statistical Methods with STATA Software**, *Tstat.*

2017 **Multivariate Statistics with R**, *Department of Statistics, Sapienza University of Rome.*

2016 **Dissemination and Communication - Introductory Course**, *European Statistical Training Programme - Eurostat.*

Professional Experiences

- November 2021 - ongoing Researcher (RTD-A) of Social Statistics (SECS-S/05), Department of Social Sciences and Economics, Sapienza University of Rome.
- April 2020 - November 2021 Adjunct Professor of Social Statistics (SECS-S/05), Bachelor's degree in Sciences and Techniques of Social Service (L39), Department of Social Sciences and Economics, Sapienza University of Rome.

- February 2020 - February 2021 Member of the Experts' Committee of the Italian Prime Minister's Office. Expert for measurement of phenomena and statistics.
- December 2019 - February 2021 Expert of the *Control Room "Benessere Italia"* of the Italian Prime Minister's Office.
- December 2014 - November 2021 Technical-statistical collaborator (CTER) VI professional level at Italian National Institute of Statistics - Istat.

Research groups: direction or participation

- January 2022 - ongoing Member of the international research group "Research Interest Group (RIC) Agribusiness", set up by the EuroMed Research Business Institute.
- November 2021 - ongoing Coordinator of the international research group "Benessere integrale come parametro per la valutazione d'impatto", set up by Dipartimento per il Benessere Integrale "Maria e il creato" of the Pontificia Accademia Mariana Internazionalis.
- September 2020 - January 2023 Coordinator of the international research group "Political Participation in Argentina", set up by the Centro de Investigaciones en Econometría of IADCOM - UBA University of Buenos Aires.
- 1 September 2021 - 15 December 2021 Member of the international research team working on the project "Monitoring the main aspects of social and economic life using composite indicators", set up by the School for Applied and Policy Sciences at Ulster University, project funded by Esperantic Studies Foundation.
- September 2020 - February 2021 Coordinator of the research group on the assessment of the impact of the recovery of contaminated sites, set up by the Extraordinary Commissioner for the Reclamation of Abusive Landfills and the Control Room "Benessere Italia" at the Italian Prime Minister's Office.
- February 2020 - February 2021 Coordinator of the research group on the ex ante and ex post evaluation of public policies at the Control Room "Benessere Italia" at the Italian Prime Minister's Office.
- Year 2020 Member of the research project: "Analysis of rankings and preference data: new methods and applications" (durata 24 months), set up by the Department of Social Sciences and Economics of Sapienza University of Rome, coordinator Prof. Roy Cerqueti, project number: RM 120172A81C3DC2.
- January 2019 - ongoing Member of the Scientific Committee of CESDER - Centro di studi e formazione sul cambiamento socio-demografico regionale, set up by the Department of Political Sciences of the University of Genoa.
- Year 2019 Member of the research project: "Cross Sectional and Longitudinal multivariate analysis of spatio-temporal well-being indicators" (24 months), set up by the Department of Social Sciences and Economics of Sapienza University of Rome, coordinator Prof. Silvia Poletti, project number: RM 11916B8959E9A7.

Year 2018 Member of the research project: "Misurare l'impatto e il valore delle biblioteche universitarie all'interno delle trasformazioni in atto: elaborazione di un kit di valutazione e sperimentazione nelle biblioteche di Roma Sapienza" (durata 24 months), set up by the Department of Social Sciences and Economics of Sapienza University of Rome, coordinator Prof. Giovanni Solimine, project number: RM 1181643172A5A5.

Visiting and fellowship

15 June 2021 - 15 September 2021 Visiting researcher (in a virtual mode) at the School of Business of the University of Nicosia under the supervision of Prof. Demetris Vrontis.

Teaching Experiences

Academic year 2020-2021 Adjunct Professor of Social Statistics (SECS-S/05, 6 CFU - 48 hours). Bachelor's degree in Sciences and Techniques of Social Service (L39), Department of Social Sciences and Economics, Sapienza University of Rome.

Academic year 2020-2021 Subject expert of "Multivariate Statistics" (SECS-S/01) of the Degree Program in Economic Analysis of International Institutions (L56). Department of Social Sciences and Economics, Sapienza University of Rome.

29-30 March and 13-14 April 2021 Participation in teaching activities of the XXXVI cycle of the Ph.D. course in Economics and Political Economy of the University of Genoa, with a cycle of seminars about "Statistics with R" (16 hours).

26-27 November and 3-4 December 2020 Participation in teaching activities of the XXXVI cycle of the Ph.D. course in Social Sciences of the University of Genoa, with a cycle of seminars about "Statistics with R" (16 hours).

2-3 July 2020 Participation in teaching activities of the XXXIII cycle of the Ph.D. course in "Medicina Traslazionale ed alimenti: innovazione, sicurezza e management" of the University of Foggia, with a cycle of seminars about: "Synthesis of statistical indicators: the composite indicator approach" (8 hours).

22-33 June 2020 Participation in teaching activities of the Ph.D. course in Social Sciences of the University of Genoa, with a cycle of seminars about: "Introduction to R: course basic" (8 hours).

Academic year 2019-2020 Adjunct Professor of Social Statistics (SECS-S/05, 6 CFU - 48 hours). Bachelor's degree in Sciences and Techniques of Social Service (L39), Department of Social Sciences and Economics, Sapienza University of Rome.

Academic year 2019-2020 Subject expert of "Multivariate Statistics" (SECS-S/01) of the Degree Program in Economic Analysis of International Institutions (L56). Department of Social Sciences and Economics, Sapienza University of Rome.

20-21 May 2019 Participation in teaching activities of XXXIV cycle of the Ph.D. course in Applied Social Sciences of the Department of Social Sciences and Economics of Sapienza University of Rome, with a cycle of seminars about: "Social Indicators Constructions: Methodological and Technical Issues" (4 hours).

2017 - ongoing Teaching assistant at the course "Statistical indicators: theory, methodology and applications" of prof. Filomena Maggino. Department of Statistics, Sapienza University of Rome.

- 2018 - ongoing Teaching assistant at the course "Welfare indicators" of prof. Filomena Maggino. Department of Social Sciences and Economics, Sapienza University of Rome.
- January - Participation in teaching activities of XXXIII cycle of the Ph.D. course in Applied Social Sciences of the Department of Social Sciences and Economics of Sapienza University of Rome, with a cycle of seminars about: "Statistics with R".
- 2016 - 2017 Teaching assistant at the course "Methodology of social research" of prof. Luigi Maria Solivetti. Department of Social Sciences and Economics, Sapienza University of Rome.
- 2016 - 2017 Teaching assistant at the course "Quantitative models for international economic policy" of prof. Luigi Maria Solivetti. Department of Social Sciences and Economics, Sapienza University of Rome.

Organisation of specialisation courses

- 3-6-10-11 Teacher at the course "Composite indicators: theory and methods". Istituto Superiore per la Protezione e la Ricerca Ambientali - ISPRA.
- June 2019
- 7-10 May **Methods for synthetic indicators construction: theory and practice.** School of the Italian Statistical Society. <http://sis-statistica.it/upload/contenuti/2019/files/Brochure.pdf>
- 2019
- Scientific Director**
- Teacher** of the teaching module "Normalisation, weighting and aggregation methods with R".

Editorial Assignments

- **Managing Editor and Session Editor** of the *International Encyclopedia of Quality of Life and Well-Being Research*.
- **Associate Editor** of *Social Indicators Research*. ISSN: 0303-8300 (print version); ISSN: 1573-0921 (electronic version).
- **Guest Editor** of the Special Issue: "Urbanization and Environmental Sustainability" of the international journal *Sustainability*.
- **Guest Editor** of the Special Issue: "Indicators of Social Sustainability and Wellbeing" of the international journal *Sustainability*.
- **Leading Guest Editor** of the Special Issue: "Data Science for Measuring Regional Competitiveness" of the international journal *Social Indicators Research*.
- **Guest Editor** of the Special Issue: "Measuring the food security: approaches, data and methods" of the international journal *British Food Journal*. ISSN: 0007-070X.
- **Guest Editor** of the Special Issue: "Business model innovation and sustainability in the agri-food industry" of the international journal *International Journal of Globalisation and Small Business*. ISSN: 1479-3059 (print version); ISSN: 1479-3067 (electronic version).
- **Guest Editor** of the Special Issue: "Stakeholder engagement in value co-creation processes" of the international journal *EuroMed Journal of Business*. ISSN: 1450-2194.

Referral activities for international journals
