

Alberto Greco

Elenco delle pubblicazioni più recenti

Greco A. (2023) Exploring implicit processes about self-objectification using Process Dissociation Procedure. *OSF Center for Open Science*, doi: 10.17605/OSF.IO/WZ8SE.

Greco A. (2023) Using time estimation for assessing implicit processes. *OSF Center for Open Science*, <https://osf.io/qaz8j/>

Greco A. (2023) Free distortion task as a new paradigm for exploring implicit processes: the case of COVID-19 pandemic. doi: 10.31219/osf.io/83v74. Preprint osf.io/83v74 – GRECO, A.E. (2023, March 1). Free distortion task as a new paradigm for exploring implicit processes. Retrieved from psyarxiv.com/qbavf

Greco A. (2022) La rivoluzione sarebbe studiare come l'analogico diventa simbolico. *Giornale Italiano di Psicologia*, XLIX, n. 2, pp. 445-450.

Greco A. (2021) *Dalla metafora cervello-computer alle scienze cognitive*. In Loprete S., *Storia e sviluppo delle neuroscienze cognitive*, pp. 119-134. Zanichelli, Bologna.

Greco A. (2021) Spatial and motor aspects in the "Action-Sentence Compatibility Effect". *Frontiers in Psychology-Cognition*. doi: 10.3389/fpsyg.2021.647899

Moretti S., Greco A. (2020) Nodding and shaking of the head as simulated approach and avoidance responses. *Acta Psychologica*, 203, 102988, doi:10.1016/j.actpsy.2019.102988.

Greco A. (2019) How can cognitive science make explanations in a single framework: using flows beyond levels. Paper presented at the *AISC Mid-term Conference*, Lucca, 2019 May 22nd-24th.

Moretti S., Greco A., Andonova E., Giagtzidou A. (2019) L'effetto di compatibilità motoria con i gesti dell'annuire e dello scuotere la testa: un embodiment universale o culturale? *Sistemi Intelligenti*, XXXI, 2, 293-314. doi:10.1422/93575. (English translation available as Cognilab Technical Report TR-2001: The effect of motor compatibility with the gestures of nodding and shaking the head: a universal or cultural embodiment?).

Moretti S., Greco A. (2018) Truth is in the head. A nod and shake compatibility effect. *Acta Psychologica*, 185C, 203-218. doi:10.1016/j.actpsy.2018.02.010

Greco A., Moretti S. (2017) Use of evidence in a categorization task: analytic and holistic processing modes. *Cognitive Processing*, 18, 4, 431-446. DOI: 10.1007/s10339-017-0829-2
