10/1986 – 07/1996	University of Genoa	Master Degree in Architecture (110/110 cum laude): Thesis: "Architettura, parole, restauro. Elementi per un dizionario ragionato del costruito genovese: le facciate"

6. **Language skills** Indicate competence from A1 (beginner) to C2 (proficient). The competence level is based on the Common European Framework of Reference for Languages. See: <https://www.coe.int/en/web/common-european-framework-reference-languages/table-1-cefr-3.3-common-reference-levels-global-scale>.

Language	Reading	Speaking	Writing
Italian	mother tongue		
English	C2	C2	C2
French	C2	C1	B1
Portuguese	B2	-	-
German	B1	A1	A1
Romanian	C1	A1	-
Spanish	B2	A2	-

I have been working in a variety of international contexts for several years (please see the working activities), and therefore I have been exposed to many languages and have had to use them, even in a basic way, to interact with my interlocutors. I have been mostly used English in my work (proficient user) as well as French, in which language I have also held training courses, formal working conversations. I can understand written texts in Portuguese, Romanian and Spanish and I can understand when these languages are spoken slowly. I can interact through simple sentences in Romanian (two years in Moldova) and Spanish (missions in Spain).

7. **Membership of professional bodies:**

- Member of ICOMOS – International Council on Monuments and Sites;
- Member of ANCSA – National Association of Historic -Artistic Centres
- Member of the roster of independent experts for project evaluation ALIPH Foundation
- Registered Architect

- 8. Other skills:** Microsoft/Openoffice.org. programmes – Autocad. Very good command of internet browsers/ email management programmes and social networks.
- 9. Present position: Independent expert in built heritage, urban heritage and landscape conservation and management, cultural heritage policies, World Heritage**
- 10. Years within the firm: free lance consultant 1 (January 2020); previous main employers: Ministry of Cultural Heritage, Activities and Tourism since 2000, ICOMOS (since 2006)**

11. Key qualifications:

Qualifications and skills

- Master Degree in Architecture, Post-master degree in Architectural Restoration, PhD in Architectural Conservation
- Experience in working in a multicultural/multilingual environment, collaborative and problem-solving attitude;
- excellent analytical and research skills with good attention to detail; good communication and training skills and confidence when dealing with large groups and new people;
- Excellent organisational skills. Ability to work both in a team and independently. Capacity to deal with periods of heavy workload and tight deadlines. Result oriented. Managerial experience.
- Empathy, flexibility, creative approach, sense of humour, capacity to coordinate working groups and motivate them;
- Fully familiar with the World Heritage system, Heritage Impact Assessment, value-based cultural heritage management approaches, people-centred approaches.

General professional experience

- 25 years of experience in cultural heritage protection, management and programming as a staff member of the Ministry of Cultural Heritage, Activities and Tourism, including policy-making, strategic planning, conservation works, conservation and management plans, cultural heritage promotion, applied research to cultural heritage;
- 17 years of experience in the implementation of the World Heritage system, including evaluation of nomination, state of conservation, monitoring of world heritage properties, training and capacity building, and cross-border/transnational cooperation;
