

PERSONAL INFORMATIONS

Marta Bertamino

 Genoa, Italy

Sex | Date of birth 20/01/1985 | Nationality

POSITION

Pediatrician, MD, PhD
UOC Physical Medicine and Rehabilitation Unit, IRCCS Giannina Gaslini Institute

WORK EXPERIENCE

- 01-04-2019 to date **Permanent contract Physical Medicine and Rehabilitation Unit**
IRCCS Giannina Gaslini Institute
- 1.11.2018 – 30.3.2019 **Freelance collaboration agreement with IRCCS Giannina Gaslini Institute**
Research project “Genius-genetic innovation to understand stroke. NGS for genetic diagnosis, target therapy and multispecialistic follow-up of children with stroke”
- 16.12.2016 – 25.02.2018 **Fixed-term contract Thrombosis and Hemostasis Unit**
IRCCS Istituto Giannina Gaslini
- 1.7.2015 - 29.7.2016 **Freelance collaboration agreement with IRCCS Giannina Gaslini Institute** Progetto di
Research project: “studio di correlazione genotipo-fenotipo in pazienti pediatrici affetti da infarto ischemico arterioso e utilizzo di tecniche di next generation sequencing per la ricerca di nuovi geni implicati nei casi negativi

ISTRUZIONE E FORMAZIONE

- 2015-2019 **PhD Pediatrics, curriculum Pediatric rheumatology.**
Research project “Studio di correlazione genotipo-fenotipo in pazienti pediatrici affetti da infarto ischemico arterioso e utilizzo di tecniche di next generation sequencing per la ricerca di nuovi geni implicati nei casi negativi”
- 2010-2015 **School of specialization in paediatric, University of Genoa** (Director Prof. A. Martini). Specialized with 50/50 cum laude discussing a work “Paediatric and perinatal stroke: retrospective analysis of 10 years’ experience in G. Gaslini Institute and future”
- 2003-2009 **School of Medicine, University of Genoa** Graduate with 110/110 cum laude.
Research project : “Development and initial validation of a short and simple health-related quality of life measure for pediatric rheumatic diseases”

COMPETENZE PERSONALI

Mother tongue(s) Italian

Other language(s)

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	B1	B2	B1	B1	

Computer skills Use of the main writing, data processing, statistical analysis, presentation software (Word, Excel, Powepoint, Access, STATA...)

Other skills marathon runner (personal best 2h58'27" Turin Marathon 2014, 1h22'45" Mezzamaratona di Carpi 2010)
practice of many sports (swimming, skiing, cycling ...)

Driving licence A, B

Clinical Trials

- 2017 Co-Investigator Protocol Clementia PVO-1A-301 "An Efficacy and Safety Study of Palovarotene for the Treatment of FOP".
- 2017 Co-Investigator Protocol Regeneron "A Study to Examine the Safety, Tolerability and Effects on Abnormal Bone Formation of REGN2477 in Patients With Fibrodysplasia Ossificans Progressiva".
- 2016 Co-Investigator Protocol 997HA306 "An Open-Label, Multicenter Evaluation of the Safety and Efficacy of Recombinant Coagulation Factor VIII Fc Fusion Protein (rFVIII Fc; BIIB031) In the Prevention and Treatment of Bleeding in Previously Untreated Patients With Severe Hemophilia A".
- 2016 Co-Investigator Protocol Mentor™6 study "Use of rFXIII in Treatment of Congenital FXIII Deficiency, a Prospective Multi-centre Observational Study".
- 2015 Sub-Investigator in PRINTO e PRES Registry "pharmacovigilance study in patients with JIA (Pharmachild).
- 2015 Co-Investigator Protocol Sinageva BioPharma Corp. "Lysosomal Acid Lipase (LAL) Deficiency Registry".
- 2015 Co-Investigator Protocol ABI-JIA-P01 "Anti-Biopharmaceutical Immunization: Prediction and analysis of clinical relevance to minimize the risk of immunization in Juvenile Idiopathic Arthritis patients".
- 2014 Co-Investigator Protocol Bristol-Myers Squibb IM101240 "An Observational Registry of Abatacept in Patients with Juvenile Idiopathic Arthritis".
- 2014 Research Investigator Protocol Clementia PVO-1A-001 "Natural History, Non-interventional, Txo-part Study in Subjects with Fibrodysplasia Ossificans Progressiva (FOP)
- 2012 Co-Investigator Protocol Bayer 12892 Einstein Junior Phase I: "Single-dose pilot study of oral rivaroxaban in pediatric subjects with venous thromboembolism"
- 2012 Co-Investigator Protocol Bayer 14373 Einstein Junior Phase II: "30 day, open-label, active controlled, randomized study of safety, efficacy and the pharmacokinetic and pharmacodynamics properties of oral rivaroxaban in children with various manifestations of venous thrombosis"

2010 Co-Investigator Protocol Roche WA18221: "A Randomized, Placebo-controlled Study to Evaluate the Effect of Tocilizumab on Disease Response in Patients With Active Systemic Juvenile Idiopathic Arthritis (JIA), With an Open-label Extension to Examine the Long Term Use of Tocilizumab"

2010 Co-Investigator Protocol Roche WA19977: "A 24 Week Randomized, Double-blind, Placebo-controlled Withdrawal Trial With a 16 Week Open-label lead-in Phase, and 64 Week Open-label Follow-up, to Evaluate the Effect on Clinical Response and the Safety of Tocilizumab in Patients With Active Polyarticular-course Juvenile Idiopathic Arthritis"

Conferences
Seminars

Invited speaker in seminars and congress regarding cerebrovascular disease in pediatric and neonatal age. In the last few years:

- "Pediatriinsieme". Ictus da covid (e varicella) ecco perché è bene vaccinare anche i bambini (invited speaker, Rome and Florence February 2023)
- "La Neurologia al Gemelli. L'ictus e la patologia cerebrovascolare" - L'ictus neonatale e pediatrico: dalle cause al trattamento (Invited speaker, Roma, October 2022)
- "Ictus: conoscerlo bene, curarlo meglio. Tra esperienze e prospettive di intervento" (Invited speaker, Caltanissetta, October 2022)
- "L'ictus giovanile" (Invited speaker, Genoa, June 2022)
- "stroke for dummies" (Invited speaker, Rome, November 2021)
- "LX Congresso Nazionale Scienze Neurologiche Ospedaliere" (Invited speaker, Cagliari, November 2021)
- "Aspettando... Vaccinando su e giù per lo stivale" 2021 Webinar (Invited Speaker, National)
- "Vaccinando su e giù per lo stivale" 2019 (Invited speaker; Perugia, Lamezia Terme, Brescia)
- "Lo Stroke ischemico in età pediatrica. Le prime 24 ore". M.Bertamino (Invited speaker, Genoa, Maggio 2018)
- "Conoscere, educare, prevenire... l'ictus: la parola ai protagonisti". Ictus Giovanile e Pediatrico. C.Gandolfo, M.Bertamino. (Invited Speaker, La Spezia, Marzo 2018)
- "Abbiamo fatto i vaccini, ora facciamo le vaccinazioni." La varicella? l'abbiamo fatta tutti..." M. Di Rocco, M.Bertamino (Invited speaker, Genoa, Ottobre 2017)

Projects
Honours and awards

Winner of Grant 5x1000 I.G.Gaslini 2021 (PI Marta Bertamino, Co-PI Mariasavina Severino) "Medicina riabilitativa personalizzata e di precisione nell'ictus pediatrico: trial clinico randomizzato con esplorazione funzionale delle vie motorie" (140.000 euro)

PI of the "Sport Hospital project (part I): Disability Climbing (Co-PI Monica Gori, IIT Genoa). Technological and multisensory in-hospital climbing wall for the rehabilitation of children with infantile cerebral palsy" (founding Gaslini Onlus/Astrazeneca 80.000 euro)

Winner PREMIO GIOVANI ISO 2019 (Italian Stroke Organization) with the publication "ABCC6 mutations and early onset stroke: two cases of atypical Pseudoxanthoma Elasticum"

Winner in Competition Announcement for scientific research projects presented by Genovese Research Institutes 2017-2018. "Genius-genetic innovation to understand stroke. NGS per la diagnosi genetica, la terapia e il follow up multispecialistico dei bambini con stroke" (PI. M.Di Rocco, Research Investigator M.Bertamino et al. 150.000 euro)

Junior Travel Grant 2015 of the European stroke conference and the European stroke research foundation for excellent research in cerebrovascular diseases reviewed by the scientific and programme committees and presented at the 5th annual meeting.

Memberships

- Member of the editorial board of the ISA/All guidelines for the pediatric subgroup.
- Member of the IPSO (International Pediatric Stroke Organization)
- Member of the "National Registry for Primary Cerebral Vasculitis"
- Member of the Italian Society of Physical Medicine and Rehabilitation (SIMFER)
- Member of the Italian Society of Pediatrics (SIP)
- Member of the "Italian Study Group of Pediatric and Neonatal Stroke",

According to the law 679/2016 of the Regulation of the European Parliament of 27th April 2016, I hereby express my consent to process and use my data provided in this CV

Genoa, 19.03.2024
