

Carlo Pesce
CURRICULUM

Data di nascita: Genova, Italy, 31 March 1954.

Formazione:

1978 Dottore in Medicina e Chirurgia, con lode, Università di Genova
1981 Specialista in Anatomia Patologica, Università di Genova
1984 Specialista in Malattie Tropicali, università di Milano
1992 Diploma in Anatomic Pathology, American Board of Pathology
1993 Dottore di Ricerca in Anatomia Patologica (MURST)

Lavoro:

1981-2001 Ricercatore di Anatomia Patologica, Università di Genova
1988-1991 Visiting Associate, Laboratory of Pathology, NCI, Bethesda, MD
1991-1992 Visiting Associate, NIDDK, Bethesda, MD
2001- Professore Associato di Anatomia Patologica, DINO GMI,
Università di Genova

Interessi di Ricerca: Glomerulosclerosi, Invecchiamento,
Quantificazione in Anatomia Patologica

Fondi:

1991- Università di Genova
1993-2006 MURST

Società:

International Academy of Pathology, FISAPEC,
American College of Pathologists

Indirizzo:

Scuola di Scienze Mediche e Farmaceutiche, , via L.B. Alberti 4,
16132 Genova, Tel. +39-010-3537400 Fax +39-010-3537584
e-mail pesce@unige.it, cell. 3494338361
Abitazione: Via Gimelli 6, 16035 San Michele di Pagana, Rapallo

ATTIVITÀ DI INSEGNAMENTO PER L'INGLESE SCIENTIFICO

Dal 2012 Sono coordinatore dei corsi di Inglese Scientifico per la Scuola di Scienze Mediche e Farmaceutiche con incarico dei corsi:

Inglese 2-3-4 (4 CFU) per il CLM in Medicina e Chirurgia (sino al 2023),

Inglese 2-3-4 (5 CFU) per il CLM in Odontoiatria e Protesi Dentaria,

Inglese scientifico (2 CFU) per le lauree delle Professioni sanitarie e Scienze Motorie (sino al 2015)

Inglese scientifico (2 CFU) per la LM in Scienze Riabilitative (dal 2017)

Inglese scientifico (2 CFU) per la LM in Scienze Diagnostiche (dal 2019)

Inglese scientifico (4 CFU) per le LM in Psicologia del DISFOR (con la Prof. Ivaldi) dal 2022

Inglese scientifico per le Scuole di Specializzazione in Chirurgia Generale, Nefrologia, Cardiologia

Ho pubblicato il libro *Pesce C. Medical English*, Zanichelli, 2020, adottato come testo oltre che presso l'Università di Genova anche nelle Università di Torino, Brescia, Messina, Catania, Chieti.

PUBBLICAZIONI SCIENTIFICHE

1. Pesce C, Toncini C. Melanin pigmentation of the larynx. *Acta Otolaryngologica (Stockholm)* 96:189-192, 1983
2. Giampalmo A, Buffa D, Caponnetto S, Pesce C, Chiarella F, Sacchetti R. Myxoid degeneration and annulus fibrosus calcification of the mitral valve. *Applied Pathology* 1:194-208, 1983
3. Pesce C, Colacino R. Nuove osservazioni sul furto della succlavia. *Pathologica* 75:819-827, 1983
4. Pesce C, Colacino R, Martelli M. Autopsy study of pseudomembranous colitis. Characteristics of the affected population and antibiotics involved. *Acta Gastroenterologica Belgica* 47:58-63, 1984
5. Pesce C, Pierri I. Acute tuberculous septicemia. *Pathologica* 76:275-279, 1984
6. Pesce C, Tobia Gallelli F, Toncini C. APUD cells of the larynx. *Acta Otolaryngologica (Stockholm)* 98:158-162, 1984
7. Pesce C, Reale A, Sanguineti G. Mitotic activity of schwannomas. *Clinical Neuropathology* 3:153-154, 1984
