

Matteo Mauro Lenti, Graduated student

- **PhD applicant in Philosophy of Mind and Perception** with a strong background in cognitive neurosciences, specializing in sensorimotor theories. Experienced in interdisciplinary research, interested in exploring the intersection between enactivism and developmental psychology. Committed to advancing the understanding of perception and action through an enactive approach, and eager to contribute to collaborative research projects in this field.

Employment History

- 2019 – Present ■ **Activist.**
I contributed to the organization of both physical and online meetings aimed at promoting political debates on various topics including health, research, and social conflicts. This experience provided me with the opportunity to collaborate on the drafting of a collection of articles. Among the organizations I collaborated with is the Basic Income Network (BIN) Italy.
- 2018 – Present ■ **Tutor.** Autonomous
I have several years of experience tutoring both science and humanities subjects to middle and high school students.
- February 2023 – June 2023 ■ **Education Volunteer.** Neighborhood House, Cecchi Point, Via Antonio Cecchi, 17, 10152 Torino TO.
I supervised a group of middle and elementary school students in an after-school program.
- September 2021 – August 2022 ■ **Mental Health Volunteer.** "La Città del Sole" Foundation, Corso Cavour, 222, 06121 Perugia PG.
I was involved in a co-housing project where I assisted a woman affected by a psychiatric disorder.
- June 2020 – August 2020 ■ **Tourism Ticketing Agent.** Laguna di Nora, Località Nora, 09050 Pula CA.
Cash Management, Information Desk, Reservation Management.

Education

- 2022 – 2024  **M.A. Body and Mind Sciences, University of Turin**
Thesis title: *An Autonomy Framework for Neural Functions: From the Free-Energy Principle to the Closure of Constraints.*
Supervisor: Prof. Elvira Di Bona
Co-supervisor: Prof. Matteo Mossio
Final grade: 110/110 cum laude
Honourable Mention
Award for the Dignity of the Press
- 2020 – 2022  **B.A. Philosophy and Psychological Techniques and Sciences, University of Perugia**
Thesis title: *Bateson and the Double Bind: The Relational Space of Schizophrenic Etiology.*
Supervisor: Prof. Massimiliano Marianelli
Final grade: 110/110 cum laude
- 2018 – 2020  **B.A. Philosophy, University of Bologna**
Attended, not completed.
I completed 102 ECTS credits in philosophy before choosing to switch to a program that offered a more interdisciplinary approach, integrating Psychological Sciences.
